

## **PARENTAL PERMISSION FOR RELEASE OF STUDENT LIKENESS OR WORK PRODUCT**

This form gives permission for students to be involved with internal and external media activities.

The use of videotaping and photography of students, or samples of student work, are often used as instructional tools and may appear on bulletin boards, in yearbooks, classroom presentations, extracurricular and athletic events, web pages, multimedia presentations, and similar forums. Also, teachers may be asked to video tape their own classroom and instruction from time to time.

At times, students at Charles C. Bell Elementary School may be interviewed and/or photographed by representatives of the external news media in relation to any and all coverage of the Buncombe County Schools' activities in which the student is involved.

I grant officials of the Buncombe County Schools the right to utilize and/or reproduce photographs, likenesses, the voice, or written articles of, or including my child in, any legal manner for the internal or external promotional/informational activities of the Buncombe County Schools.

I understand that I waive any and all present or future compensation rights to the use of the above stated material(s). This release is effective as long as my child is in this school. I further understand that I may rescind permission at any time.

**PARENTS WHO DO NOT WANT THEIR CHILD INVOLVED IN  
ANY MEDIA EXPOSURE SHOULD NOTIFY THE PRINCIPAL IN  
WRITING AT THE BEGINNING OF THE SCHOOL YEAR**
